Starting before the right time (tolerance - 1 min.)	Up to 60 min addition time to LK				
Winching from tree without protective belt		Up to 100% + damage caused		X	X

Explanations:

LK – special stage

Electricity post – which is used for communication or electric lines, regardless of whether the lines are attached to post or not

Fellow competitor - a competitor who is present with you on the same special stage, after the LK finish the competitor is incidental

Competition – the competition begins on the first day of the first start, and ends of the last day of the last race finish
